

# Porcelain Sinks

COSMOS  
SURFACES

SYNC-ART  
by Cosmos Kitchenware

- ◆ Using antibacterial glazing technology, the basin surface is always smooth, bright and clean.
- ◆ With the advantages of abrasion resistance, and anti-staining, Sync-Art porcelain sinks are easy to clean.
- ◆ Firing our premium ingredients including quartz, feldspar and iron at over 3300 degrees Fahrenheit produces Sync Art's luxurious porcelain sinks that will endure the test of time.
